Military Academy, West Point, relieving Lt. Col. Winthrop. The detail to West Point is so important a capacity is a very high compliment, and speaks equally well for this officer's professional qualifications and his standing in the service generally. Maj. Clous was appointed to his present position by President Cleveland, upon the recommendation of nearly all the general officers of the Army, headed by Gen. Sheridan and Maj. Gen. Hancock. No officer of our Army has a better war record or higher standing in all that pertains to the soldier and gentleman, and the academic board is most fortunate in having such a successor to the accomplished Winthrop.

J. S. Parker, son of Capt. and Brevet Maj. R. C. Parker, retired, has been appointed by the President a cadet-at-large to West Point, to fill the vacancy to occur by graduation in June, 1891. This exhausts the President's power of appointment to the Military Academy for admission next year.

Transfers of Troops.—The Secretary of War has approved the following transfers of troops to the Inf. and Cav. School and post of Fort Leavenworth, Kan., the movements to commence as soon as practicable: Col. E. F. Townsend, 12th Inf., assigned to the comd. of the Inf. and Cav. School and of the post of Fort Leavenworth. The hdqrs. band and one co. of that regt. to be selected by the col. with the approval of the dept. comdr., will also proceed for station to Fort Leavenworth, this change to take effect on or about Sept. 1. Cav.—Troops 1, 5th Regt., and C, 9th Regt. Inf.—Cos. H., Seventh Regt.; F, 13th Regt., and H, 14th Regt. M. Dept. (late art. detachment, West Point) and Indian scouts.

## THE NAVY AND MARINE CORPS.

The following promotions in the Navy have occurred owing to the death of Capt. Robert Boyd: Comdr. E. C. Merriman, to be capt.; Lt. Comdr. G. C. Ritter, to be comdr.; Lt. E. M. Symonds, to be lt. comdr.; Lt. (junior grade) J. Boush, to be lt., and Ensign T. W. Ryan, to be lt., (junior grade).

Secretary Tracy inspected the Baltimore at Bar Harbor Monday afternoon. The Baltimore immediately after sailed for New York, where she will take President Harrison on board en route to Boston.

The Dolphin and Petrel have left Bar Harbor for New York.

The new war ship Maine will probably be launched by Nov. 1.

The steamer San José sailed Monday from San Francisco to Panama, having on board 40 sailors of the Nipsic brought by the Adams from Samoa.

Ensign J. W. Oman has been ordered as asst. to the equipment officer in the installation of electric plants at the Navy Yard, New York.

Some trouble has been experienced in the construction of the Texas at Norfolk, and it will probably be a year before she can be launched.

Plans are in course of preparation in the Dept. for a large torpedo-boat, to be used primarily for attacks upon the smaller torpedo-boats. She will be 200 feet in length; breadth, 26 feet, and speed 23 knots, and will cost \$350,000. Another torpedo-boat, similar to the Cushing, to cost \$125,000, will shortly be advertised.

Chief Eng. B. B. H. Wharton has been detached from the Baltimore, and ordered to the Pensacola.

The new revenue cutter Winona was launched from the yards of Pusey & Jones, Wilmington, Tuesday afternoon. The Winona is a twin-screw propeller, 148 feet 6 inches long, 26 feet 3 inches beam, and 9 feet 2 inches hold. She will go into service in the fall on the coast of North Carolina.

Lieut. S. C. Lemly has been ordered to regular duty in the office of the Judge Advocate General.

Lieut. W. R. Rush and Ensign M. K. Eyre have been detached from the Boston, and ordered to regard themselves under suspension for a period of two years. The reason for this action on the part of the Dept. is that these two officers, while the Squadron of Evolution was in Brazilian waters, stayed on shore over night in direct contradiction to orders. Yellow fever at the time was prevalent in Brazil, and for that reason stringent rules had been laid down.

Surg. B. S. Mackie has been ordered to medical treatment at the Naval Hospital, Philadelphia.

Surg. E. Z. Dore has been ordered to the Minnesota.

Lieut. W. C. Cowles has been detached from the Kearsarge, and ordered to the Boston.

The Navy Dept. has been notified by N. J. Palmer & Co., of the Quindart Iron Works, that the new gunboat Concord will be given a preliminary steam trial at Chester, Pa., next Monday.

Chief Eng. B. B. H. Wharton and P. A. Eng. C. P. Howell, of the Baltimore, are under suspension, on the charge of negligence in obeying orders on the occasion of the collision of the Baltimore with the Dolphin at Bar Harbor. The charge will be hard to substantiate, as the tide swung the Dolphin across the track of the Baltimore as she was coming on, and the accident is attributed to that rather than to negligence on the part of any one.

Ensign W. H. G. Bullard has been detached from duty on the coast survey, and ordered to the Philadelphia.

Naval Cadet N. T. Coleman has been detached from the Pensacola, and ordered to the Kearsarge.

Surg. J. R. Waggener has been detached from the Minnesota, and ordered to the Kearsarge as the relief of Surg. A. M. Moore.
